CUTTING AFFRAY AT BEDFORD

ELEVEN SOCIETY GIRLS MADE ILL BY PTOMANE POISONING.

Damage Case Growing Out of Chicago Riots Won by Addison C. Harris—Child Taken by Father.

PITTSBURGH, June 29.—With the last turn to-night the plate glass and window glass industries of the country will be at a standstill, the former plants for one, and the latter for two months, throwing idle an aggregate of 10,000 men. The complete shutdown of the plate-glass factories is a condition never before existing in this country. The plate-glass men go out through an agreement of producers which the Pittsburgh Plate Glass Company insisted on, thereby forcing the smaller concerns to fall in line. The window-glass workers who will quit to-night are employed in the independent factories, the American Company's and the Federation Company's employees having quit on May 15.

Money for Franklin College.

Special to the Indianapolis Journal.
FRANKLIN, Ind., June 29.—To-morrow is the last day for completing the \$30,000 to endow the Greek department of Franklin College. Last January A. J. Thurston, of Shelbyville, president of the board of directors, offered \$1,000 for the endowment of this department on condition that \$30,000 more be raised by July 1. Yesterday evening Secretary Carr reported that he lacked \$80 of having the required amount subscribed. Unless the Western and Eastern borrowed from the Burlington & Rock Island station, the money would not be in time to-morrow night all is lost.
Word was sent to the Baptist pastors

over the State yesterday, urging them to make an effort to secure subscriptions for the fund.
